PROJECTS

We have purchased items for the Eco Club as their requests for the eco area the new equipment will be for the children to use in this much loved part of the school grounds, which was established by the Friends a few years ago. We will also be funding some equipment for the Gymnastics club. We are also in discussions with Mr Bown and his staff regarding projects the Friends can next get involved with. We are hoping to have a new venture to start raising funds for soon.

FUNDRAISING

Do you or your children have any ideas or thoughts about fundraising? Join us at our next meeting and share your ideas. Our next meeting will be on Friday 2nd March at 2pm. You can also keep up to date by following us on Facebook at The FRIENDS of St Nicholas School, or email us at thefriendsofstnics@gmail.com

No time to get involved but interested in helping? Find us and get shopping at easyfundraising.org.uk

CAN YOU HELP?

Requests/Business Opportunity
We are always grateful for parents' donations or advice which could help reduce costs for the friends. Do you have a business which would like to be at one of our events, or a product which we could use at an event? If so please contact Mandy Winter - a.winter@sky.com

Thank you again for all your support

EVENTS

The Friends are really excited to announce we are having a fantastic family evening for all ages. Rock N Roll bingo, yes you heard it here first! The evening involves listening to music clips from various decades to up to date music, so you can sing, dance and have fun whilst crossing off the song you hear on your music bingo card. Lots of prizes to be won.

Friday 16th March 6.30pm
