Dear Parents,

I am delighted to be able to write to you at the end of a very successful first week of the Autumn Term. It is fantastic to have all the pupils back with us on site for the first time in six months and there is a wonderful atmosphere around the buildings, now that they are fully inhabited once again. All the pupils and staff have quickly adapted to the new routines and we continue to keep the site as safe as we possibly can.

We are also very grateful to all of you for your continued cooperation at drop off in the morning and pick up in the afternoon and hope that you have found the new arrangements to be efficient: we are certainly feeling the benefit of the additional land which we have converted into a car park.

Having made such a good start to the term, we are continuing to keep all our routines and protocols under review and we would ask that, from Monday, you follow the government directive about social gatherings in order to play your part in keeping our community at Saint Nicholas as safe as it can be.

Thank you again for your support.

With best wishes.

Yours sincerely,

A. D. Petty
