

SAINT NICHOLAS SCHOOL

SAFER RECRUITMENT SELECTION AND DISCLOSURES POLICY

Note: This policy applies to all sections of the School including EYFS

Reviewed June 21

Review Date June 22

1. Introduction:

The school is fully committed to safeguarding and promoting the welfare of children and young people, and other vulnerable groups. Its recruitment practices help to deter, reject, detect and prevent people who might otherwise abuse pupils or who are unsuited to working with them. This policy describes in detail the recruitment practices and checks that are, or may be, required for any individual working in any capacity at, or visiting, the school.

The Governing body recognises its duty to act reasonably in making decisions about the suitability of the prospective employee based on checks and evidence. These checks include Disclosure and Barring Service (DBS) checks, barred list and prohibition checks, directions, sanctions and restrictions as well as references and interview information.

This policy identifies good practice in safer recruitment and selection to ensure that Safeguarding is at the core of the school's recruitment procedures. The level of DBS certificate required, and whether a check for any prohibition, direction, sanction, or restriction is required will depend on the role that is being offered and duties involved.

1.1 Scope:

This guidance guides the safer recruitment for all appointments at Saint Nicholas School (whether paid or unpaid) including peripatetic staff, exam invigilators, volunteers, committee members and governors. This guidance also applies to any employment/supply agencies that provide staff to work with children and young people, for example contract minibuss drivers. All organisations that provide services for Saint Nicholas School must ensure that appropriate safe recruitment and selection procedures are in place before contracts are agreed.

As the majority of staff will be engaging in 'regulated activity', an enhanced DBS certificate which includes barred list information, will be required for most appointments. In summary, a person will be considered to be engaging in 'regulated activity' if, as a result of their work, they:

- will be responsible, on a regular basis in the school, for teaching, training instructing, caring for or supervising children; or
- will carry out paid, or unsupervised unpaid, work regularly in the school where that work provides an opportunity for contact with children; or
- engage in intimate or personal care or overnight activity, even if this happens only once.

Contractors who are not involved in teaching or care of children, and who work under a temporary or occasional contract are not in regulated activity. A supervised volunteer who regularly teaches or looks after children is not in regulated activity. For them, an enhanced DBS certificate, which does not include a barred list check, will be appropriate.

Any individual involved in the management of a school, including governors and staff on the senior leadership team, and any teaching positions which carry a department headship are subject to an enhanced DBS with barred list check. Where this information is requested, the certificate will also detail whether the applicant is subject to a direction made under section 128 of the Education and Skills Act 2008 or section 167A of the Education Act 2002. Such a direction prohibits an individual from taking part in the management or governance of an independent school.

1.2 Legislation:

There is a wealth of legislation and statutory guidance concerning safeguarding and promoting the welfare of children – for example, Children Act 1989 & 2004, Education Act 2002, Every Child Matters 2003, Working Together to Safeguard Children 2018, Keeping Children Safe in Education 2018, and Safeguarding Vulnerable Groups Act 2006, latterly the Protection of Freedoms Act 2012.

This safer recruitment guidance is an essential part of the process of ensuring that those employed to work with children at Saint Nicholas School are safe.

More recently **Keeping Children Safe in Education (2019) & Working Together to Safeguard Children (2018)** outline optimum practice for educational establishments. It is **statutory guidance** and the School **must** have regard to it when carrying out its safeguarding duties.

2. Safer Recruitment and Selection Policy and Procedure:

2.1 Policy Statement

The School has an explicit written recruitment and selection policy statement, and procedures that comply with best practice guidance.

“Saint Nicholas School is fully committed to safeguarding and promoting the welfare of children, young people and other vulnerable groups and expects all staff, parents and volunteers to share this commitment. All staff and volunteers, where appropriate, will be required to complete our safer recruitment checks including qualifications, references and enhanced DBS.”

This statement is included in:

- all publicity materials;
- recruitment websites, and School website;
- job advertisements;
- candidate information packs, person specifications and job descriptions;
- application forms;
- induction training programmes.

2.2 Advertising a vacancy:

When a vacancy is advertised, the advertisement will include a statement about the School’s commitment to safeguarding and promoting the welfare of children and advise that the successful applicant will require an Enhanced Disclosure with a Barred List check from the Disclosure and Barring Service (DBS) where appropriate, as well as the usual details of the post, salary, qualifications required etc. This gives candidates the opportunity to make an informed decision about whether or not they apply for the position. It is at this point that the School is looking to “deter” undesirable applicants.

2.3 Candidate Information Pack:

The candidate information pack will include a copy of:

- the application form and guidance notes about completing the form;
- the job description and person specification;
- any relevant information such as the equal opportunities, the recruitment of ex- offenders, etc;
- a statement of the terms and conditions relating to the post.

2.4 Application Form:

The school uses an application form to obtain a common set of core data from all applicants. Saint Nicholas School does not accept a letter of application or curriculum vitae alone, because these will only contain the information the applicant wishes to present and may omit relevant details.

Apart from including details such as full name, date of birth, current address and national insurance number, the application form explains that the post is exempt from the Rehabilitation of Offenders Act 1974. Therefore, all convictions, cautions and reprimands including those regarded as “spent” or “pending” must be declared.

The application form requires a signed statement that the person is not disqualified from working with children or

subject to any sanctions imposed by a regulating body such as the Health and Care Professions Council (HCPC). (See appendix) The application form also contains a question about any outstanding complaints or investigations against the candidate which might in the future bring the organisation into disrepute.

2.5 Scrutinising and Short-Listing:

All application forms are scrutinised to ensure they are fully and properly completed; that the information provided is consistent and does not contain any discrepancies and to identify any gaps in employment history or any other issues that may cause concern. Although not mandatory in the independent sector, at least one person involved in the recruitment process will have received safer recruitment training.

Other issues which may require further investigation include:

- frequent changes in employment that do not show any clear career or salary progression;
- a move from higher paid permanent employment to temporary or supply work;
- returning from overseas employment.

Any areas of concern are explored and verified with the candidate at interview. In addition, the information provided by the applicant is compared to that provided by the referees.

2.6 References:

References are a key and important part of the safer recruitment process, their purpose being to obtain objective and factual information to support appointment decisions. References are sought from the candidate's current employer. Where a candidate is not currently employed, verification of their most recent period of employment and reasons for leaving are obtained from the school, college, local authority or organisation at which they were employed.

References are scrutinised and any concerns resolved satisfactorily, before the appointment is confirmed, including for any internal candidate. Obtaining references before interview, where possible, allows any concerns to be explored further with the referee and taken up with the candidate at interview. They are always requested directly from the referee and preferably from a senior person with appropriate authority, not just a colleague.

We do not rely on open references, for example in the form of 'to whom it may concern' testimonials, nor rely on information provided by the candidate as part of the application process without verifying that the information is correct. Where electronic references are received, we ensure they originate from a legitimate source.

On receipt, references are checked to ensure that all specific questions have been answered satisfactorily. The referee will be contacted to provide further clarification as appropriate, for example if the answers are vague or if insufficient information is provided. They are also compared for consistency with the information provided by the candidate on their application form. Any discrepancies are taken up with the candidate.

Any information about past disciplinary action or allegations that are disclosed should be considered carefully when assessing the applicant's suitability for the post.

2.7 Interviewing:

Although not mandatory in the sector, interview panels have at least one panel member who is knowledgeable and experienced in safeguarding issues and who has completed the Safer Recruitment Training. Trained members of Saint Nicholas staff are Helen Hopkins (Deputy Head) and Yvette Mardel (Bursar).

There will be a face-to-face interview wherever possible, and the same panel will see all the applicants for the vacant position. Where possible, references will be taken up before interview. The only exception to this rule is where an applicant has specifically indicated on their application form that they do not wish their current employer to be contacted. In such cases, this reference will be taken up immediately after interview and prior to any formal conditional offer of employment being made.

Specific questions relating to child protection issues should form part of the standard selection process. All applicants will be questioned about gaps in employment and any other issues which may come to light and may cause concern.

All applicants who are invited to an interview will be required to bring evidence of their identity, address and qualifications. Only original documentation will be accepted and photocopies will be taken. Documents belonging to unsuccessful applicants will be destroyed at the end of the recruitment process.

Any conditional offer of employment should be made subject to all the relevant pre-employment checks being made

before they take up the position e.g. right to work, references, qualifications, employment history, relevant DBS check and By Association Check.

3. Single Central Record:

Schools are required to maintain a single centrally-held record of pre-appointment checks on those who work at or are engaged at the school.

The single central record indicates whether the following checks have been carried out or certificates obtained, and the date on which each check was completed/certificate obtained:

- an identity check;
- a check of professional qualifications, where required;
- an enhanced DBS check/certificate;
- a barred list check;
- a check to establish the person's right to work in the United Kingdom
- further checks on people who have lived or worked outside the UK including recording checks for those European Economic Area (EEA) teacher sanctions and restrictions;
- a prohibition from teaching check;
- a section 128 check (for relevant management positions);
- references
- application form, including checks for continuity and for time spent overseas
- declaration of medical suitability

For agency and third party supply staff, we note whether written confirmation has been received that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, and the date that confirmation was received and whether any enhanced DBS certificate check has been provided in respect of the member of staff. The identity of such staff is checked on arrival.

Information disclosed as part of a DBS disclosure must be treated as confidential. However, before the disclosure is destroyed (in line with DBS guidance), records are kept detailing the date the disclosure was obtained, who obtained it, the level of disclosure and the unique reference number.

This register is in addition to the various staff records kept in School and on individual personnel files, a single central record of recruitment and vetting checks is kept in accordance with the DfE requirements. This is kept up -to-date and retained by the Headmaster's PA.

The central record will contain details of the following:

- all employees who are employed to work at the School;
- all employees who are employed as supply staff to the School whether employed directly or through an agency;
- all others who have been chosen by the School to work in regular contact with children. This will include volunteers, governors, peripatetic staff and people brought into the School to provide additional teaching or instruction for pupils but who are not staff members e.g. sports coaches etc.

Monitoring and Evaluation:

The Head, the Designated Safeguarding Lead, and the Safeguarding Governor will be responsible for ensuring that this policy is monitored and evaluated throughout the School. The Safeguarding Governor will perform a spot check on the Single Central Register once per term.

The Single Central Register is completed by the Head's PA, who is the HR/Recruitment administrator, with the support of the Head or appointed member of SLT. Once a new member of staff is deemed to be safely recruited i.e. all necessary checks undertaken and recorded after a safe recruitment interview, the Head will be asked to confirm that a member of staff may start work.

4. Offer of Appointment and New Employee Process:

The appointment of all new employees is subject to the receipt of a satisfactory DBS Certificate, references, and medical checks, copies of qualification and proof of identity. Offers for positions for staff working in the EYFS and after-school care for the under eights will also be subject to a By Association Declaration. A personnel file checklist will be used to track and audit paperwork obtained in accordance with Safer Recruitment. The checklist will be retained on personal files.

The Rehabilitation of Offenders Act 1974

The Rehabilitation of Offenders Act 1974 does not apply to positions which involve working with, or having access to pupils.

Therefore, any convictions and cautions that would normally be considered 'SPENT' must be declared when applying for any position at Saint Nicholas School.

DBS (Disclosure and Barring Service) Certificate

All staff at Saint Nicholas School require an enhanced DBS Certificate and therefore a DBS Certificate must be obtained before the commencement of employment of any new employee.

Staff Self Declaration Forms

Pursuant to Childcare Act 2006 (as amended in 2018) all staff who work directly with pupils within EYFS (or are involved within the management of the setting) and all staff who may work directly with later years children before or after the normal hours of the school day, (or who are involved within the management of this activity), will be required to sign a declaration confirming no grounds for disqualification on the basis of the act.

Members of staff at Saint Nicholas are aware of their obligation to inform the Headmaster of any cautions or convictions that arise after a DBS check has taken place. Members of staff will be reminded of this duty on an annual basis.

Portability of DBS Certificates Checks:

Saint Nicholas School does not accept DBS Certificates carried out by another organisation unless they are registered with the DBS Update Service.

Dealing with convictions:

The school operates a formal procedure if a DBS Certificate is returned with details of convictions. Consideration will be given to the Rehabilitation of Offenders Act 1974 and also:

- the nature, seriousness and relevance of the offence;
- how long ago the offence occurred;
- one-off or history of offences;
- changes in circumstances,
- decriminalisation and remorse.

A formal meeting will take place face-to-face to establish the facts with the Head or Bursar. A decision will be made following this meeting.

Prohibition orders.

Prohibition orders prevent a person from carrying out teaching work in schools, sixth form colleges, 16 to 19 academies, relevant youth accommodation and children's homes in England. A person who is prohibited from teaching must not be appointed to work as a teacher or manager in such a setting. A check of any prohibition can be carried out using the Employer Access Online Service. Prohibition orders are made by the Secretary of State following consideration by The Teacher Regulation Agency (TRA). Pending such consideration, the Secretary of State may issue an interim prohibition order if it is considered to be in the public interest to do so.

Section 128 - Management positions

Saint Nicholas School checks all staff appointed to management positions after 12 August 2015 to ensure they are not prohibited from the management of independent schools directions (also known as section 128 directions). This check will be carried out at the same time as the DBS check for those appointed to the following positions:

- All Governors
- Headmaster
- Deputy Head

- Head of Lower School
- Deputy Head & Assistant Head of Lower School
- Assistant Head & Deputy Assistant Heads (Middle / Upper School)
- Heads of Department
- Bursar

Historic General Teaching Council for England (GTCE) sanctions and restrictions

There are a number of individuals who are still subject to disciplinary sanctions, which were imposed by the GTCE (prior to its abolition in 2012). These sanctions and restrictions remain.

Individuals who have lived or worked outside the UK

Individuals who have lived or worked outside the UK must undergo the same checks as all other staff in schools or colleges. In addition, schools must make any further checks they think appropriate so that any relevant events that occurred outside the UK can be considered. These further checks should include a check for information about any teacher sanction or restriction that an EEA professional regulating authority has imposed, using the TRA Teacher Services' system. Although restrictions imposed by another EEA regulating authority do not prevent a person from taking up teaching positions in England, schools and colleges should consider the circumstances that led to the restriction or sanction being imposed when considering a candidate's suitability for employment.

Proof of identity, Right to Work in the UK & Verification of Qualifications and/or professional status:

All applicants invited to attend an interview at the School will be required to bring their identification documentation such as passport, birth certificate, driving licence etc. with them as proof of identity/eligibility to work in UK in accordance with those set out in the Immigration, Asylum and Nationality Act 2006 and DBS Code of Practice Regulations.

In addition, applicants must be able to demonstrate that they have actually obtained any academic or vocational qualification legally required for the position and claimed in their application form.

Medical Fitness:

Anyone appointed to a post involving regular contact with children must possess the appropriate level of physical and mental fitness before any appointment offer is confirmed. All applicants are requested to confirm their suitability, complete a medical questionnaire and where appropriate a doctor's medical report may be required.

Induction Programme:

All staff, including new staff as part of their induction process, will read and receive training and regular updates with reference to:

- at least Part One & Annex A of KCSIE (2019)
- the schools Safeguarding & Child Protection Policy inc. information about the identity of the DSL, Deputy DSL and their role;
- behaviour policy;
- the Staff Code of Conduct inc. acceptable use of technologies;
- the Whistleblowing Procedures;
- the safeguarding response to children who go missing from education.

5. Existing Staff:

If the school has concerns about an existing staff member's or governor's suitability to work with children, the school will carry out all relevant checks as if the person were a new member of staff. Similarly, if a person working at the school moves from a post that was not regulated activity into work which is considered to be regulated activity, the relevant checks for that regulated activity must be carried out. Any internal promotion to management position might require a "Section 128" check to be undertaken in advance of the promotion being confirmed. Apart from these circumstances, the school is not required to repeat a DBS check or barred list check.

Schools have a legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- the harm test is satisfied in respect of that individual;
- the individual has received a caution or conviction for a relevant offence, or if there is reason to believe

- that the individual has committed a listed relevant offence; and
- the individual has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left.

Referrals should be made as soon as possible, and ordinarily on conclusion of an investigation, when an individual is removed from working in regulated activity, which could include being suspended, or is redeployed to work that is not regulated activity.

Where the school dismisses or ceases to use the services of a teacher because of serious misconduct, or might have dismissed them or ceased to use their services had they not left first, they must consider whether to refer the case to the Secretary of State, as required by sections 141D and 141E of the Education Act 2002.

6. Volunteers

Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

Volunteers who, on an unsupervised basis teach or look after children regularly, or provide personal care on a one-off basis, will be in regulated activity. The school will obtain an enhanced DBS certificate (which should include barred list information) for all volunteers who are new to working in regulated activity. Existing volunteers in regulated activity do not have to be re-checked if they have already had a DBS check (which includes barred list information). Employers are not legally permitted to request barred list information on a supervised volunteer as they are not considered to be engaged in regulated activity.

The school will undertake a risk assessment (details of which to be recorded) and use their professional judgement and experience when deciding whether to obtain an enhanced DBS certificate for any volunteer not engaging in regulated activity.

In doing so they should consider:

- the nature of the work with children;²
- what the establishment knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers;²
- whether the volunteer has other employment or undertakes voluntary activities where referees can advise on suitability;²
- whether the role is eligible for an enhanced DBS check;

It is for schools to determine whether a volunteer is considered to be supervised. In making this decision, and where an individual is supervised, to help determine the appropriate level of supervision schools must have regard to the statutory guidance issued by the Secretary of State. This guidance requires that, for a person to be considered supervised, the supervision must be:

- by a person who is in regulated activity;
- regular and day to day; and
- “reasonable in all the circumstances to ensure the protection of children.”

7. Short-term contractors (NB long term contractors are likely to require checks as “staff”)

Schools should ensure that any contractor, or any employee of the contractor, who is to work at the school, has been subject to the appropriate level of DBS check. Contractors engaging in regulated activity will require an enhanced DBS certificate (including barred list information). For all other contractors who are not engaging in regulated activity, but whose work provides them with an opportunity for regular contact with children, an enhanced DBS check (not including barred list information) will be required.

Under no circumstances should a contractor in respect of whom no checks have been obtained be allowed to work unsupervised, or engage in regulated activity. Schools are responsible for determining the appropriate level of supervision depending on the circumstances. If an individual working at the school is self-employed, the school should consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account. The school always checks the identity of contractors and their staff on arrival.

8. Visiting Speakers

Staff must not invite speakers into school without first obtaining permission from the Head, Deputy Head or Heads

of School and informing Mrs Bradley (Headmaster's PA) Before inviting visiting speakers the school, as part of its Prevent duty, will carry out background checks e.g. through an internet search to determine that these visitors are suitable. On attending the School, visiting speakers will be required to show an original current identification document including a photograph such as a passport or photo driving licence. Whilst on the School site, visiting speakers will be supervised at all times.

Visiting speakers are recorded on the single central register.
